

Is My Organization Ready for an AmeriCorps Grant? A Readiness Assessment

Introduction

This Readiness Assessment uses simple questions to help you determine whether you are organizationally poised to successfully apply for and implement an AmeriCorps grant. Read each question carefully and answer honestly.

This assessment is a general guide, a rough tool to help you plan for implementation of AmeriCorps and other complex grant-funded programming. Successful completion of the assessment does not guarantee AmeriCorps funding through the Kansas Volunteer Commission (KVC).

Regardless of your results, the KVC is eager to assist you in designing and implementing services benefiting the residents of our state. Please contact Shelby Hoytal or Jonathan Loppnow at the KVC to learn more about how AmeriCorps may be able to benefit your organization and how we may be able to help you in implementing new AmeriCorps programs or creating partnerships with existing programs.

Special Note for Faith-Based Organizations seeking to operate government funded programs

If the conditions below are not acceptable to your organization, government funding is probably not a good option:

- Participation in government funded programs must be open to all who qualify, without regard to religious beliefs.
- No participant in a government funded program may be required to participate in inherently religious activities.
- Government funded employees must not proselytize
- Government funded programs must be held in a separate place or time from religious activities

FUNDAMENTAL QUESTIONS

Is your organization a public or private nonprofit organization—including labor organizations, faith-based and other community organizations; an institution of higher education; a government entity within the State of Kansas states or territories; an Indian Tribe; or a partnership or consortia?

Yes No Unsure

Does your organization's plan for utilizing members address specific unmet community needs in the areas of education, environmental stewardship, healthy futures, opportunity, veterans and military families and/or disaster service?

Yes No Unsure

If the answer to either of the above questions is “No”, then your organization is not eligible to receive an AmeriCorps grant or serve as a Host Site for AmeriCorps members. You are similarly ineligible if your organization is a 501 (c) (4) nonprofit entity (under the Internal Revenue Code of 1986, 26 U.S.C. 501 (c) (4) that engages in lobbying.

Do your plans for utilizing AmeriCorps members call for members to provide service exclusively within the state of Kansas?

Yes No Unsure

If the answer to the above questions is “No” and the other results of this Assessment are favorable, then your organization may be interested in applying directly to the Corporation for National and Community Service for an AmeriCorps*National grant. Contact the KVC for details.

Does your organization have a track record of success with its program?

Yes No Unsure

Does your organization have the infrastructure to recruit, train, and support the efforts of AmeriCorps members? Variables include office space, technology, supervisory time & skill, financial expertise, and the ability to manage volunteers?

Yes No Unsure

Has your organization previously managed a major federal, state, or foundation grant?

Yes No Unsure

Are there formal internal controls governing all financial operations?

Yes No Unsure

Does your organization have sufficient cash to operate a major grant on a reimbursement basis? Both the Federal and State governments rarely pay grant funds in advance. Payments are made 30-60 days after submission of invoices by programs.

Yes No Unsure

Are the financial operations of your organization audited annually by an independent auditor?

Yes No Unsure

If you answered “No” to any of the above questions, it is likely your organization would struggle to successfully administer an AmeriCorps grant. Consideration should be given to seeking a partnership with an existing AmeriCorps program in Kansas. Serving as an AmeriCorps host site, rather than as a primary grant applicant, is often a better option for smaller organizations. Contact the KVC for details.

Less than 15 points: Based on your self-assessment, your organization may have a significant need to build its capacity before it is ready to apply for an AmeriCorps grant.
